

JOB TITLE

Consulting Associate

JOB DESCRIPTION

Everest Group is searching for self-motivated individuals who possess excellent problem solving, leadership, and analytical skills with a passion for driving change in a client-service environment. Consulting Associates support the broader project team in the delivery of all elements of project work, with emphasis on the analysis of client's key business issues and the delivery of insights in a clear and compelling manner. Consulting Associates are expected to leverage their skills and experiences to provide valuable perspectives on analyses and project deliverables, while keeping in mind the broader implications of all recommendations on the project and the client.

Required Qualifications

Bachelor's degree in business/finance, engineering, economics, or other analytical major from a top-tier school

Analytical mindset with a developing business acumen

Ability to complete structured problem solving with senior management support

Ability to understand and work through critical business issues

Self-motivated individuals with an entrepreneurial spirit

Strong Microsoft Office skills

Experience with data analysis preferred

Past internships at management consulting firms preferred

Responsibilities

Work with teams to develop solutions designed to exploit/respond to disruptions in the marketplace

Structure, write, and deliver well-organized and persuasive end products with oversight from others

Take ownership of assigned tasks to drive the engagement objectives forward

Understand broad operational context to assess potential solution impact

Model business cases, measuring hard/soft benefits, costs, and risks

Develop functional/process expertise and help manage large change programs

Normalize and analyze data sets to drive business insights and inform change

Work with team members to develop firm intellectual property

Everest Group is an equal opportunity employer

Ability to travel up to 80% required

Existing US work authorization is required

Company Background

Everest Group is a quickly growing boutique management consulting and research firm with offices in the U.S., Canada, UK, and India. Our clients are C-level executives in Global 1000 companies, technology service providers, and private equity firms seeking to drive complex business transformation, adopt emerging technologies, and adopt disruptive business models as new sources of growth and competitive differentiation.

Over the past 29 years, Everest Group has supported Global 1000 companies and service providers in driving value in their business through growth strategy, automation, the utilization of next generation technology, business process, alternative delivery models, and strategic sourcing. Our leadership team includes alumni of McKinsey & Company, Boston Consulting Group, and Booz &

Company. Our consultants are MBA alumni of Darden, Fuqua, Haas, HBS, Ivey, McCombs, Rotman, Johnson, and Tuck.

We offer prospective hires an entrepreneurial, collaborative environment with interesting and challenging work, a healthy work-life balance, very attractive compensation, the chance to create immediate value, and an opportunity to contribute to shaping the firm's direction, culture, and capabilities. Ivy Exec has consistently ranked Everest Group as one of the top boutique consulting firms.
