

## Everest Group Elevate Honors 2025 – Key messages for external use post ceremony

**Elevate Honors are a unique recognition program developed by Everest Group**, a leading global research and advisory firm, to conduct independent, analyst-driven research to select and showcase best in class service and technology providers across the following categories: Growth Honor of the Year, Impact Sourcing Honor, Voice of the Customer Honor – Service Excellence, Value Excellence, Technology Provider and Voice of the Partner Honor – Data and Analytics, AI and Enterprise Platforms.

The inaugural recognition program was celebrated at Everest Group Elevate – Dallas 2025, September 10–12, where senior B2B growth leaders across revenue, sales, marketing, and strategy were in attendance.

**Elevate Honors recognitions** are based on Everest Group’s independent, fact based, analyst-driven research, utilizing proprietary data and rigorous performance assessments. No applications or sponsorships— honorees are selected on performance merit alone; this distinction reflects an organization’s outstanding impact.

Ronak Doshi, Partner, Everest Group said “We are proud to launch the Everest Group Elevate Honors recognition program at Elevate in Dallas, Sept 2025. Elevate Honors recognitions are based on Everest Group’s independent, fact based, analyst-driven research. Honorees are selected based on objective, data-driven analysis and serves as third party validation of high performance and excellence. We congratulate all the companies who have been recognized this inaugural year”
